Purpose of this playlist

This playlist reflects the transitional energy of Hexagram 64, highlighting the space before completion when clarity is forming and the next step is preparing to emerge. Each track carries the theme of anticipation, refinement, and moving thoughtfully through moments that are not yet fully defined. These songs support people who are approaching new phases, organizing their thoughts, or finding balance in the in-between. They bring a soft, uplifting tone that encourages patience, trust, and the quiet confidence that comes from knowing the path will become clear as the final pieces fall into place.

To explore Human Design, the I Ching, and the astrology transits more deeply, the HD Astro Membership offers an entire course, a full transit reference library, Human Design lines, astrological degrees, and ongoing guidance throughout the year.
