Human Design Centers Explained as Cartoon Characters

Playlist: https://www.youtube.com/playlist?list=PL0rem6quVJaDm4VbW_DudoXCgHxKl4poC

Category: Educational cartoons | 9 video entries

Purpose of this playlist

This playlist helps make the 9 Human Design Centers easier to understand through fun cartoon character explanation videos. Each center has its own personality, energy, and lesson, making it easier to see how the centers influence motivation, emotions, communication, intuition, identity, pressure, awareness, and action.

These videos are designed to simplify Human Design so you can learn the centers in a more visual and memorable way. Each cartoon character explains what the center represents, how it can feel when it is defined or undefined, and how people can work with that energy in everyday life.

This playlist is great for beginners learning Human Design and for anyone who wants a creative way to understand the Human Design bodygraph.

Human Design Centers included in this playlist:

Head Center Ajna Center Throat Center G Center Heart / Will Center Solar Plexus Center Sacral Center Spleen Center Root Center
