Purpose of this playlist

This playlist brings together songs inspired by the 12 Human Design Profiles. Each profile carries its own story, rhythm, and lesson about how we interact with life and others. From the introspective Hermit to the guiding Role Model, each song reflects the energy, challenges, and wisdom of its profile.

Whether you're exploring your own design or learning about others, these songs are here to help you connect with the essence of each profile in a way that feels both personal and universal. Listen to discover how the profiles weave together the themes of purpose, relationships, and the journey of self-discovery.
