Category: Human Design, Gene Keys and I Ching | 14 video entries

## Purpose of this playlist

This playlist is designed to help people understand how each planet influences their chart through both Astrology and Human Design.

Each video explores the meaning of a planet and how it expresses energy through thoughts, emotions, actions, and life experiences. These explanations are simple, clear, and easy to follow while still offering depth for people who want to learn more.

The planets act as different forces that shape how energy is experienced. By understanding them, people can begin to recognize patterns in their life and gain more clarity about their direction.

This playlist is a great place to start for anyone learning how to read their chart or deepen their understanding of planetary influence.
