Purpose of this playlist

This playlist explores the energy of adjustment, realignment, and quiet transformation brought on by the Sun's quincunx aspects. These songs reflect the feeling of being slightly out of sync, where something deep within calls for change or compromise. The quincunx invites reflection, inner shifts, and subtle course corrections that lead to greater balance. Each track carries the essence of growth through discomfort, guiding people to integrate contrasting parts of themselves and find new ways of showing up in the world.
