Category: Astrology and zodiac | 13 video entries

Purpose of this playlist

This playlist explores the subtle growth and quiet motivation found in the Sun’s semi-sextile aspects. Each song reflects the gentle yet consistent nudge toward self-awareness and inner alignment that these transits bring. Whether it's refining communication, balancing desires, or integrating new layers of identity, these tracks help you tune into the moments of adjustment and personal development that arise when the Sun meets another planet in this 30-degree connection. Let the music guide you through these softly shifting energies, helping you embrace the changes with clarity and presence.
