Category: Human Design, Gene Keys and I Ching | 448 video entries

Purpose of this playlist

This playlist brings together all 64 I Ching songs, reflecting the full spectrum of human experience through sound, emotion, and wisdom. Each track highlights the essence of its hexagram, offering music that supports clarity, growth, healing, and inner alignment. These songs guide people through themes of change, courage, reflection, inspiration, connection, and purpose. They create a calm, supportive space to explore life's transitions and insights, whether someone is meditating, learning Human Design, following the transits, or simply seeking music that brings understanding and peace.

This collection invites people to move at their own pace, listening to the energies that resonate with where they are and where they are heading. It offers grounding, encouragement, and a gentle sense of direction as each hexagram reveals its unique voice.

To explore Human Design, the I Ching, and the astrology transits more deeply, the HD Astro Membership includes a full course, a complete transit reference library, Human Design lines, astrological degrees, and ongoing guidance throughout the year.
