Purpose of this playlist

This playlist reflects the quiet stillness of Hexagram 12, capturing the moments when movement pauses and people are encouraged to turn inward. Each track carries the theme of reflection, discernment, and preserving energy during times when outer progress slows. These songs support people who are stepping back to regain clarity, protect their peace, or wait for the right conditions to reengage. They bring a gentle, contemplative tone that encourages patience, inner alignment, and trust in the natural rhythm of pause before renewal.
