Purpose of this playlist

How to Use Health Manifested and Choose Your Learning Path

This playlist is a guided walkthrough of HealthManifested.com, with a focus on understanding the courses, how they connect, and the most supportive order to explore them.

These videos are here to help people see the full structure of the platform, not just where things live, but how everything fits together. Instead of guessing where to start, this playlist explains what each course covers, how the material builds over time, and how to move through the content in a way that feels clear and intentional.

Inside this playlist, people will learn:

• How the Health Manifested platform is organized • What each course and reference is designed to teach • The suggested order for taking the courses based on understanding and depth • How memberships work and what access includes • Where to find supporting references, articles, and learning tools • How the Lightworkers Web fits into the overall ecosystem
