Category: Human Design, Gene Keys and I Ching | 3 video entries

Purpose of this playlist

This playlist features songs inspired by the Human Design Collective Circuit, which is made up of the Logic and Sensing Circuits. These energies highlight the themes of learning from the past, anticipating the future, and sharing insights with others for the benefit of the collective.

Each song in this playlist captures the essence of a Gate or Channel within the Collective Circuit, helping you reflect on patterns, cycles, and stories that connect us all.
