Category: Manifestation and affirmations | 30 video entries

Purpose of this playlist

This playlist continues the exploration of the Law of Attraction through sound, reflection, and intentional focus. These songs build on foundational ideas by inviting deeper awareness of thought patterns, emotional responses, and inner alignment.

Part 2 is ideal for people who are already familiar with the basics and want to strengthen consistency, self-trust, and emotional steadiness. The songs are designed to support daily practice, helping people notice how small internal shifts create meaningful changes over time.

This playlist works well for meditation, quiet focus, creative work, or moments when clarity and grounding are needed.

For structured guidance and ongoing support, the Law of Attraction membership offers lessons, reflections, and practical tools to apply these principles in everyday life.
