Category: Inspiration, spiritual growth and learning | 360 video entries

Purpose of this playlist

This playlist brings each Sabian symbol to life through sound, emotion, and intuitive storytelling. Every song is connected to a degree of the zodiac, offering a musical journey through the cycles of growth, awakening, release, and inner clarity. These songs were created to help people feel the energy of each symbol in a way that supports healing, reflection, and spiritual insight.

Each track captures the essence of its symbol with melody and imagery that guide the listener into deeper understanding. The music creates a space where people can relax, breathe, and move through their own process in a gentle and meaningful way. Whether someone wants guidance, comfort, or creative inspiration, this playlist invites them to explore the wisdom held within every degree.

These songs support meditation, journaling, spiritual practice, Human Design studies, and personal transformation. Listeners can follow along with their own chart degrees or allow the playlist to guide them intuitively. It is a journey through the zodiac that brings light to every stage of the path.

Let the music open the symbols, soothe your energy, and help you move into your highest expression.
