Category: Astrology and zodiac | 156 video entries

Purpose of this playlist

This playlist celebrates the full spectrum of the Sun’s astrological aspects and transits, from the harmonious flow of trines to the dynamic tension of squares. These songs reflect the way solar energy shapes identity, expression, and vitality in different planetary connections. Each track carries the essence of personal growth, self-awareness, and the cycles of illumination that occur as the Sun moves through its celestial relationships. Together, they create a musical journey through confidence, challenge, inspiration, and renewal.
